## PROFESSIONAL EXPERIENCE

### BRENT DOSCHER PHOTOGRAPHY

Photographer / Owner

Dover, NH

May, 2006 – Present

As the owner and manager of my self-start photography company, I have gained much experience in not only photography and the arts, but also in self-management and working with a business. I started the company as a one-man organization, and now have multiple photographers who are enlisted with me as independent contractors for action and sports photography. My position and the development of my company involves the following:

- Strong self-motivation, organization, marketing, and entrepreneurial skills
- A passion for continued learning and constant improvement
- Initiating and maintaining communication with potential and current customers through phone and e-mail
- A comprehensive understanding of graphic design and web site maintenance

### NEW HAMPSHIRE PUBLIC TELEVISION

Floor Director / Camera Operator

Durham, NH

September, 2009 - Present

In this part-time position I am responsible for providing direction for many crewmembers and guests during broadcasts, both live and taped. I also operate the studio's high definition video cameras and provide graphics for the director. Position requires:

- Experience with camera operation in both standard definition and HD
- Understanding of Avid Deko and video graphics
- Ability to delegate tasks to other crew members on studio floor

### CAPSTONE PHOTOGRAPHY

ACTION SPORTS INTERNATIONAL

ACTION PHOTOS

Photographer/Independent Contractor

Middlefield, CT

Fort Worth, TX

Manchester, NH

2008 - Present

Work as an independent contractor involves photographing sports events including but not limited to triathlons, running races, cycling races, and team competitions. The main task is to capture athletes in action, and create high quality images that will appeal to customers looking to purchase photos from competition. Position requires:

- Intimate understanding of cameras and sports photography
- Altering shooting style to fit what competitors are looking for
- Communicating with athletes and capturing intimate moments before, during, and after races.

### THE NEW HAMPSHIRE NEWSPAPER

Photographer

Durham, NH

Sept 2005 – May 2007

- Photographing events and sports on campus for a student-run newspaper
- Writing captions and editing photos
- Cooperating with writers in acquiring images to complement articles.

### BEST BUY

Digital Imaging Specialist

Newington, NH

October, 2006 – February, 2007

- Working with and educating the Digital Imaging coworkers to improve our team performance
- Providing a friendly demeanor and useful information about digital cameras and photography for customers

## COMPUTER SKILLS

- Proficiency in Adobe Creative Suite programs including Photoshop, Dreamweaver, Illustrator, InDesign, and Flash
- Experience in Mac OS Classic, OS X, and Microsoft Windows 2000-Vista
- Experience with Final Cut Pro, Aperture, Word, Excel, and Powerpoint
- Knowledge of HTML, XHTML, CSS, PHP, and Flash
- Typing proficiency = 70wpm

## EDUCATION

### University of New Hampshire

BA in psychology, minor in studio arts – *Cum Laude*

Durham, NH

September 2005- May 2009

### John Stark Regional High School

Graduated with Honors, member of National Honor Society, recipient of Bausch and Lomb Science Award, recipient of Senior Project Award of Excellence for sports photography

Weare, NH

September 2001 – May 2005

## INTERESTS/HOBBIES

- Training for and competing in triathlons
- Playing lacrosse (two year high school varsity captain and all-state)
- Exercising and being outdoors
